

INFLUENCER TRAINING USING NLP FOR HR EXECUTIVES

OVERVIEW

OBJECTIVES

In this program, you will learn how to:

- Talk to staff, subordinates, superiors and stakeholders and be understood
- Enhance your influence on others to get things done
- Overcome conflicts with others and build better relationships
- Handle difficult people with calmness and professionalism

WORKSHOP METHODOLOGY

30% interactive lecture, 40% activities, 15% group discussions,
15% action-plan presentations

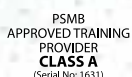

Can be conducted 100% in English, 100% in BM or in a
mixture of both.

As the world heads towards the 4th Industrial Revolution, influential interpersonal communication becomes even more important for HR professionals. Digitization and automation is only as good as the people who work alongside it. If you can influentially communicate and connect with others, work performance improves and the company optimizes its profit opportunities. This program helps you use NLP (Neuro-Linguistic Programming) to build stronger work relationships through what you say and how you say it.
